

Inverhaugh Cricket Club

Press Release

INVERHAUGH SLASHES 2017 SCHEDULE

After 21 years as a vibrant cricket club with weekly matches throughout the summer, Inverhaugh Cricket Club is downsizing for the 2017 season.

Matches will be played only on the three long weekends of the summer, highlighted by matches against the Stratford and Shaw Festival teams on the Mondays. In addition, social matches will be held on the Saturdays of those weekends with Inverhaugh cricket club members and invited guests.

For the rest of the season, the ground may be available for private functions and special cricket matches on request. For those interested, or for further information please contact Bart Singh at 519-846-0450 or bart@bjpartners.ca. Also, see our website - www.inverhaugh.com.

The house and grounds remain for sale and the cricket ground will continue to be maintained to the high standard that players and visitors have become accustomed.

Bart Singh, co- owner, captain and chief cricket curator comments, “We will miss the weekly matches and the camaraderie amongst the members and local teams. We will also miss those special matches against overseas teams. Over the years, we have hosted teams from Australia, Bermuda, Dominica, Guyana, Trinidad & Tobago. We have also hosted a couple of International matches featuring Canada, U.S.A. and East & Central Africa.”

Merry Christmas and a Happy New Year
